

## CASE STUDY:

### Jacobina Mine Evaporator System

#### Location

Jacobina, Brazil

#### Description

Control panel for an evaporator system

#### Features

- 110kW pump on soft starter
- 185kW pump on soft starter
- Siemens S7-1200 controller and 7" HMI
- 2 90kW evaporator fans on soft starters
- 2 75kW evaporator fans on soft starters

#### Scope

Design, construction, programming,  
testing, remote commissioning
